## Fairy Tale Conflict

Instructions: Fairy tales are loaded with conflict. You have Goldilocks breaking into the bears' house, the Big Bad Wolf destroying the pigs' property, and Cinderella being treated unfairly by her stepmother. Someone needs to help these characters resolve their conflicts in a healthier way! Choose a fairy tale to examine, and answer the following questions:

1. What is the conflict in the story?
2. How do the main characters feel about the conflict?
3. What does each of the characters want or need?

Then imagine you could convince the characters to work together to solve their problem. List three possible solutions that would benefit all of the characters. (Remember, we're talking about fairy tales, so you can be as creative as you want!)
